**Item 9. Undertakings.**

(a) The Registrant hereby undertakes:

- (1) To file, during any period in which offers or sales are being made of the securities registered hereby, a post-effective amendment to this registration statement:
  - (i) To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933;
  - (ii) To reflect in the prospectus any facts or events arising after the effective date of this registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in this registration statement; and
  - (iii) To include any material information with respect to the plan of distribution not previously disclosed in this registration statement or any material change to such information in this registration statement;

provided, however, that the undertakings set forth in paragraphs 1(i) and 1(ii) above do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed by the Registrant pursuant to Section 13 or Section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in this registration statement.
- (2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.
- (3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(b) The Registrant hereby further undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the Registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in this registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(c) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act of 1933 and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in a successful defense of any action, suit or proceeding) is asserted against the Registrant by such director, officer or controlling person in connection with the securities registered hereby, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act of 1933 and will be governed by the final adjudication of such issue.

Energy Transfer Equity, L.P.  
3738 Oak Lawn Avenue  
Dallas, Texas 75219

Ladies and Gentlemen:

We have acted as counsel for Energy Transfer Equity, L.P., a Delaware limited partnership (the “Partnership”), with respect to certain legal matters in connection with the registration by the Partnership under the Securities Act of 1933, as amended (the “Securities Act”) of the offer and sale of an aggregate of up to 3,000,000 common units representing limited partner interests in the Partnership (“Common Units”), pursuant to the Partnership’s Long-Term Incentive Plan (the “Plan”).

In connection herewith, we have examined or are familiar with the Plan, the Partnership’s Certificate of Limited Partnership as in effect on the date hereof, the Third Amended and Restated Agreement of Limited Partnership as amended and in effect on the date hereof, the proceedings with respect to the approval of the Plan, and the Registration Statement on Form S-8 filed in connection with the registration of the Common Units (the “Registration Statement”), and such other certificates, instruments, and documents as we have considered necessary for purposes of this opinion letter.

Based upon the foregoing and subject to the limitations set forth herein, we are of the opinion that the Common Units have been duly authorized and, when the Common Units are issued in accordance with the terms of the Plan and the instruments executed pursuant to the Plan, which govern the awards to which the Common Units relate, will be validly issued and fully paid and non-assessable.

The foregoing opinion is limited to the laws of the United States of America, the State of Texas, and to the Delaware Revised Uniform Limited Partnership Act, as interpreted by federal courts and the courts of the State of Delaware.
