All opinions, certificates, letters and documents mentioned above or elsewhere in this Agreement shall be deemed in compliance with the provisions hereof only if they are in form and substance reasonably satisfactory to counsel for the Underwriters.

8. *Indemnification and Contribution.*

(a) *Indemnification of Underwriters.* The Partnership shall indemnify and hold harmless each Underwriter, its officers, employees, agents, partners, members, directors and affiliates of any Underwriter who have, or who are alleged to have, participated in the distribution of the Offered Securities as underwriters, and each person, if any, who controls such Underwriter within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act (each, an “**Indemnified Party**”), against any and all losses, claims, damages or liabilities, joint or several, to which such Indemnified Party may become subject, under the Securities Act, the Exchange Act, other Federal or state statutory law or regulation or otherwise, insofar as such losses, claims, damages or liabilities (or actions in respect thereof) arise out of or are based upon any untrue statement or alleged untrue statement of any material fact contained in any part of the Registration Statement at any time, any Statutory Prospectus (which term includes any base prospectus and any preliminary prospectus supplement) as of any time, the Final Prospectus or any Issuer Free Writing Prospectus, or arise out of or are based upon the omission or alleged omission of a material fact required to be stated therein or necessary in order to make the statements therein, in the case of any Statutory Prospectus or the Final Prospectus, in the light of the circumstances under which they were made, not misleading, and will reimburse each Indemnified Party for any legal or other expenses reasonably incurred by such Indemnified Party in connection with investigating, preparing or defending against any loss, claim, damage, liability, action, litigation, investigation or proceeding whatsoever (whether or not such Indemnified Party is a party thereto), whether threatened or commenced, and in connection with the enforcement of this provision with respect to any of the above as such expenses are incurred; *provided, however*, that the Partnership shall be liable in any such case to the extent that any such loss, claim, damage or liability arises out of or is based upon an untrue statement or alleged untrue statement in or omission or alleged omission from any of such documents in reliance upon and in conformity with written information furnished to the Partnership by any Underwriter specifically for use therein, it being understood and agreed that the only such information consists of the information described as such in subsection (b) below.

(b) *Indemnification of Partnership.* Each Underwriter shall severally and not jointly indemnify and hold harmless the Partnership, its directors and officers and each person, if any, who controls the Partnership within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act (each, an “**Underwriter Indemnified Party**”), against any losses, claims, damages or liabilities to which such Underwriter Indemnified Party may become subject, under the Securities Act, the Exchange Act, other Federal or state statutory law or regulation or otherwise, insofar as such losses, claims, damages or liabilities (or actions in respect thereof) arise out of or are based upon any untrue statement

or alleged untrue statement of any material fact contained in any part of the Registration Statement at any time, any Statutory Prospectus (which term includes any base prospectus and any preliminary prospectus supplement) as of any time, the Final Prospectus, or any Issuer Free Writing Prospectus, or arise out of or are based upon the omission or the alleged omission of a material fact required to be stated therein or necessary in order to make the statements therein, in the case of any Statutory Prospectus or the Final Prospectus, in the light of the circumstances under which they were made, not misleading, in each case to the extent, but only to the extent, that such untrue statement or alleged untrue statement or omission or alleged omission was made in reliance upon and in conformity with written information furnished to the Partnership by any Underwriter specifically for use therein, and will reimburse any legal or other expenses reasonably incurred by such Underwriter Indemnified Party in connection with investigating, preparing or defending against any such loss, claim, damage, liability, action, litigation, investigation or proceeding whatsoever (whether or not such Underwriter Indemnified Party is a party thereto), whether threatened or commenced, based upon any such untrue statement or omission, or any such alleged untrue statement or omission as such expenses are incurred, it being understood and agreed that the only such information furnished by any Underwriter consists of the following information in the Final Prospectus: (i) the statements regarding the concession and reallowance figures appearing in the third paragraph under the caption "Underwriting," (ii) information relating to stabilization appearing in the sixth paragraph under the caption "Underwriting," (iii) information relating to fees and expenses and activities and commercial transactions of the underwriters and their affiliates in the eighth paragraph under the caption "Underwriting" and (iv) information relating to hedging transactions by the underwriters or their affiliates in the ninth paragraph under the caption "Underwriting"; *provided, however*, that the Underwriters shall not be liable for any losses, claims, damages or liabilities arising out of or based upon the Partnership's failure to perform its obligations under Sections 5(a), (b) or (c) of this Agreement.

(c) *Actions against Parties; Notification.* Promptly after receipt by an indemnified party under this Section of notice of the commencement of any action, such indemnified party will, if a claim in respect thereof is to be made against the indemnifying party under subsection (a) or (b) above, notify the indemnifying party of the commencement thereof; but the failure to notify the indemnifying party shall not relieve it from any liability that it may have under subsection (a) or (b) above except to the extent that it has been materially prejudiced (through the forfeiture of substantive rights or defenses) by such failure; and provided further that the failure to notify the indemnifying party shall not relieve it from any liability that it may have to an indemnified party otherwise than under subsection (a) or (b) above. In case any such action is brought against any indemnified party and it notifies the indemnifying party of the commencement thereof, the indemnifying party will be entitled to participate therein and, to the extent that it may wish, jointly with any other indemnifying party similarly notified, to assume the defense thereof, with counsel satisfactory to such indemnified party (who shall not, except with the consent of the indemnified party, be counsel to the indemnifying party), and after notice from the indemnifying party to such indemnified party of its election so to assume the defense thereof, the indemnifying party will not be liable to such indemnified party under this Section for

any legal or other expenses subsequently incurred by such indemnified party in connection with the defense thereof other than reasonable costs of investigation. No indemnifying party shall, without the prior written consent of the indemnified party, effect any settlement of any pending or threatened action in respect of which any indemnified party is or could have been a party and indemnity could have been sought hereunder by such indemnified party unless such settlement (i) includes an unconditional release of such indemnified party from all liability on any claims that are the subject matter of such action and (ii) does not include a statement as to or an admission of fault, culpability or failure to act by or on behalf of any indemnified party.

(d) *Contribution.* If the indemnification provided for in this Section is unavailable or insufficient to hold harmless an indemnified party under subsection (a) or (b) above, then each indemnifying party shall contribute to the amount paid or payable by such indemnified party as a result of the losses, claims, damages or liabilities referred to in subsection (a) or (b) above (i) in such proportion as is appropriate to reflect the relative benefits received by the Partnership on the one hand and the Underwriters on the other from the offering of the Offered Securities or (ii) if the allocation provided by clause (i) above is not permitted by applicable law, in such proportion as is appropriate to reflect not only the relative benefits referred to in clause (i) above but also the relative fault of the Partnership on the one hand and the Underwriters on the other in connection with the statements or omissions which resulted in such losses, claims, damages or liabilities as well as any other relevant equitable considerations. The relative benefits received by the Partnership on the one hand and the Underwriters on the other shall be deemed to be in the same proportion as the total net proceeds from the offering (before deducting expenses) received by the Partnership bear to the total discounts and commissions received by the Underwriters from the Partnership under this Agreement. The relative fault shall be determined by reference to, among other things, whether the untrue or alleged untrue statement of a material fact or the omission or alleged omission to state a material fact relates to information supplied by the Partnership or the Underwriters and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such untrue statement or omission. The amount paid by an indemnified party as a result of the losses, claims, damages or liabilities referred to in the first sentence of this subsection (d) shall be deemed to include any legal or other expenses reasonably incurred by such indemnified party in connection with investigating or defending any action or claim which is the subject of this subsection (d). Notwithstanding the provisions of this subsection (d), no Underwriter shall be required to contribute any amount in excess of the amount by which the total price at which the Offered Securities purchased by it were resold exceeds the amount of any damages which such Underwriter has otherwise been required to pay by reason of such untrue or alleged untrue statement or omission or alleged omission. The Underwriters' obligations in this subsection (d) to contribute are several in proportion to their respective purchase obligations and not joint. The Partnership and the Underwriters agree that it would not be just and equitable if contribution pursuant to this Section 8(d) were determined by *pro rata* allocation (even if the Underwriters were treated as one entity for such purpose) or by any other method of allocation which does not take account of the equitable considerations referred to in this Section 8(d).

9. *Default of Underwriters.* If any Underwriter defaults in its obligation to purchase Offered Securities hereunder and the aggregate principal amount of Offered Securities that such defaulting Underwriter agreed but failed to purchase does not exceed 10% of the total principal amount of Offered Securities, the non-defaulting Underwriter may make arrangements satisfactory to the Partnership for the purchase of such Offered Securities by other persons, including itself, but if no such arrangements are made by the Closing Date, the non-defaulting Underwriter shall be obligated to purchase the Offered Securities that such defaulting Underwriter agreed but failed to purchase. If any Underwriter so defaults and the aggregate principal amount of Offered Securities with respect to which such default or defaults occur exceeds 10% of the total principal amount of Offered Securities and arrangements satisfactory to the non-defaulting Underwriter and the Partnership for the purchase of such Offered Securities by other persons are not made within 36 hours after such default, this Agreement will terminate without liability on the part of any non-defaulting Underwriter or the Partnership, except as provided in Section 10. As used in this Agreement, the term "Underwriter" includes any person substituted for a Underwriter under this Section. Nothing herein will relieve a defaulting Underwriter from liability for its default.

10. *Compliance with USA Patriot Act.* In accordance with the requirements of the USA Patriot Act (Title III of Pub. L. 107-56 (signed into law October 26, 2001)), the Underwriters are required to obtain, verify and record information that identifies their respective clients, including the Partnership, which information may include the name and address of their respective clients, as well as other information that will allow the Underwriters to properly identify their respective clients.

11. *Survival of Certain Representations and Obligations.* The respective indemnities, agreements, representations, warranties and other statements of the Partnership or its officers and of the several Underwriters set forth in or made pursuant to this Agreement will remain in full force and effect, regardless of any investigation, or statement as to the results thereof, made by or on behalf of any Underwriter, the Partnership or any of its representatives, officers or directors or any controlling person, and will survive delivery of and payment for the Offered Securities. If this Agreement is terminated pursuant to Section 9 or if for any reason the purchase of the Offered Securities by the Underwriters is not consummated, the Partnership shall remain responsible for the expenses to be paid or reimbursed by it pursuant to Section 5 and the respective obligations of the Partnership and the Underwriters pursuant to Section 8 shall remain in effect. If the purchase of the Offered Securities by the Underwriters is not consummated for any reason other than solely because of the termination of this Agreement pursuant to Section 9 or the occurrence of any event specified in clauses (iii), (iv), (vi), (vii) or (viii) of Section 7(c), the Partnership will reimburse the Underwriters for all out-of-pocket expenses (including fees and disbursements of counsel) reasonably incurred by them in connection with the offering of the Offered Securities.

12. *Notices.* All communications hereunder will be in writing and, if sent to the Underwriters will be mailed, delivered or telegraphed and confirmed to the Underwriters, c/o Morgan Stanley & Co. LLC, 1585 Broadway, New York, New York 10036, Attention: High Yield Syndicate Desk, with a copy to the Legal Department and c/o Mizuho Securities USA LLC, 320 Park Avenue, 12th Floor, New York, New York 10022, Attention: Debt Capital Markets or, if sent to the Partnership will be mailed, delivered or telegraphed and confirmed to it at 8111 Westchester

Drive, Suite 600, Dallas, Texas 75225, Attention: Chief Financial Officer; provided, however, that any notice to an Underwriter pursuant to Section 8 will be mailed, delivered or telefaxed and confirmed to such Underwriter.

13. *Successors.* This Agreement will inure to the benefit of and be binding upon the parties hereto and their respective successors and the other persons referred to in Section 8, and no other person will have any right or obligation hereunder.

14. The Representatives will act for the several Underwriters in connection with this purchase, and any action under this Agreement taken by you jointly will be binding upon all the Underwriters.

15. *Counterparts.* This Agreement may be executed in any number of counterparts, each of which shall be deemed to be an original, but all such counterparts shall together constitute one and the same Agreement. In the event that any signature is delivered by facsimile transmission or by e-mail delivery of a “.pdf” format data file, such signature shall create a valid and binding obligation of the party executing (or on whose behalf such signature is executed) with the same force and effect as if such facsimile or “.pdf” signature page were an original thereof.

16. *Absence of Fiduciary Relationship.* The Partnership acknowledges and agrees that:

(a) *No Other Relationship.* The Underwriters have been retained solely to act as underwriters in connection with the sale of the Offered Securities and that no fiduciary, advisory or agency relationship between the Partnership and the Underwriters has been created in respect of any of the transactions contemplated by this Agreement or the Preliminary or the Final Prospectus, irrespective of whether the Underwriters have advised or are advising the Partnership on other matters;

(b) *Arm’s-Length Negotiations.* The price of the Offered Securities set forth in this Agreement was established by the Partnership following discussions and arms-length negotiations with the Representatives, and the Partnership is capable of evaluating and understanding and understands and accepts the terms, risks and conditions of the transactions contemplated by this Agreement;

(c) *Absence of Obligation to Disclose.* The Partnership has been advised that the Underwriters and their affiliates are engaged in a broad range of transactions that may involve interests that differ from those of the Partnership and that the Underwriters have no obligation to disclose such interests and transactions to the Partnership by virtue of any fiduciary, advisory or agency relationship; and

(d) *Waiver.* The Partnership waives, to the fullest extent permitted by law, any claims it may have against the Underwriters for breach of fiduciary duty or alleged breach of fiduciary duty and agrees that the Underwriters shall have no liability (whether direct or indirect) to the Partnership in respect of such a fiduciary duty claim or to any person asserting a fiduciary duty claim on behalf of or in right of the Partnership, including equityholders, employees or creditors of the Partnership.

17. **Applicable Law.** This Agreement shall be governed by, and construed in accordance with, the laws of the State of New York.

The Partnership hereby submits to the non-exclusive jurisdiction of the Federal and state courts in the Borough of Manhattan in The City of New York in any suit or proceeding arising out of or relating to this Agreement or the transactions contemplated hereby. The Partnership irrevocably and unconditionally waives any objection to the laying of venue of any suit or proceeding arising out of or relating to this Agreement or the transactions contemplated hereby in Federal and state courts in the Borough of Manhattan in The City of New York and irrevocably and unconditionally waives and agrees not to plead or claim in any such court that any such suit or proceeding in any such court has been brought in an inconvenient forum.

8. The Registration Statement has become effective under the Act. With your consent, based solely on a review of a list of stop orders on the Commission’s website at <https://www.sec.gov/litigation/stoporders.shtml> at [8:00] a.m. Eastern Time on October [●], 2017, we confirm that no stop order suspending the effectiveness of the Registration Statement has been issued under the Act and no proceedings therefor have been initiated by the Commission. The Preliminary Prospectus has been filed in accordance with Rule 424(b) under the Act, the Prospectus has been filed in accordance with Rule 424(b) and Rule 430B under the Act, and the Specified IFWP has been filed in accordance with Rule 433(d) under the Act.

9. The Registration Statement, at October 3, 2017, including the information deemed to be a part thereof pursuant to Rule 430B under the Act, and the Prospectus, as of its date, each appeared on their face to be appropriately responsive in all material respects to the applicable form requirements for registration statements on Form S-3 under the Act and the rules and regulations of the Commission thereunder; it being understood, however, that we express no view with respect to Regulation S-T or the financial statements, schedules, or other financial data, included in, incorporated by reference in, or omitted from, the Registration Statement or the Prospectus or with respect to the Trustee’s Form T-1 under the TIA. For purposes of this paragraph, we have assumed that the statements made in the Registration Statement and the Prospectus are correct and complete.

10. The statements in the Preliminary Prospectus, taken together with the Specified IFWP, and the Prospectus under the captions “Description of Notes” and “Description of the Debt Securities,” insofar as they purport to constitute a summary of the terms of the Notes or the Indenture, are accurate summaries in all material respects.

11. Under the NY UCC, the Opinion Documents do not, of themselves, result in the security interest of the Collateral Agent in that portion of the collateral described in Section 2.1 of the Security Agreement in which any of the Energy Transfer Entities party thereto has rights and in which the Collateral Agent had a valid security interest under Article 9 of the NY UCC immediately before giving effect to the Documents⁸ (the “**UCC Collateral**”), becoming invalid.

12. Under the NY UCC, the Opinion Documents do not, of themselves, result in the Collateral Agent’s security interest in the part of the UCC Collateral constituting “certificated securities” within the meaning of Section 8-102(a)(4) of NY UCC (the “**Pledged Securities**”), in which, immediately before the effectiveness of the Opinion Documents, the Collateral Agent had a perfected security interest solely by virtue of possession thereof in the State of New York, becoming unperfected. For purposes of this opinion we have assumed that (i) the Collateral Agent took possession of such Pledged Securities in the State of New York prior to the date hereof indorsed to the Collateral Agent or indorsed in blank, in each case by an effective indorsement, or accompanied by undated transfer powers with respect thereto duly indorsed in blank by an effective indorsement and (ii) the Collateral Agent has maintained sole and continuous possession of the Pledged Securities in the State of New York at all times since their delivery.

⁸ NTD: “Documents” will be defined to mean the Indenture and the form of Notes.

13. Under the Delaware UCC, the Opinion Documents do not, of themselves, result in the security interest of the Collateral Agent in that part of the UCC Collateral in which, immediately before the effectiveness of the Opinion Documents, the Collateral Agent had a perfected security interest solely by virtue of the filing of the Financing Statements in the Filing Office becoming unperfected.

14. The Partnership is not, and immediately after giving effect to the sale of the Notes in accordance with the Underwriting Agreement and the application of the proceeds as described in the Preliminary Prospectus, taken together with the Specified IFWP, and the Prospectus under the caption "Use of Proceeds," will not be required to be, registered as an "investment company" within the meaning of the Investment Company Act of 1940, as amended.

The issue and sale of the Notes by the Partnership, and the application of the proceeds thereof by the Partnership as described in the Preliminary Prospectus, taken together with the Specified IFWP, and the Prospectus under the caption "Use of Proceeds," do not violate Regulation X of the Board of Governors of the Federal Reserve System.
